

Lantania joins the Spanish National Association of Independent Builders (ANCI)

- The group joins the most representative organization of Spanish large and medium-sized unlisted construction companies

Madrid, November 5, de 2018. [Lantania](#) has become a full member of the Spanish National Association of Independent Builders (ANCI). The entry of the company was approved at the end of October during the last General Assembly of the organization chaired by Jaime Lamo de Espinosa and represents a step forward for the company in its goal to be among the leading firms in the sector in Spain.

The group of infrastructures, water and energy becomes a member of the most representative association of Spanish large and medium-sized unlisted construction companies. ANCI is formed by 26 companies with a joint income of more than 9,000 million euros, more than 1,090 years of accumulated total experience and 12,000 employees, both in Spain and abroad.

About Lantania

Lantania is the result of the acquisition of the construction, water and energy business units of Isolux Corsan by a team of former company executives. The group is structured in three main business areas: infrastructure, water and environment and energy. It has a portfolio of work in progress exceeding 200 million euros, 26 projects, and assets close to 70 million euros.
